

Dear St. Marks Family,

Thank you so much for choosing me to be a recipient of the St. Marks Education Trust Fund Award College Scholarship. St. Marks has always gone above and beyond for us and we really appreciate it. God's love shines through this church more than I have seen it anywhere else. I'm so grateful to be a part of it. Your support means so much to my mother and me.

**Thank You,

Dear St. Marks Family,

Thank you for selecting Alex to be a recipient of the St. Marks Education Trust Fund College Scholarship.

I wanted you all to know how life-changing this award is ... not just for Alex, but for me as well. The cost of a college education has increased so much and that has created an incredible financial burden and emotional stress on so many families, especially small one-income families like ours. This scholarship has given us freedom. Freedom from the crushing financial stress for me, and freedom for Alex to focus on her studies during the school year.

I cannot thank you enough for your kindness and generosity.

Wishing all of you love, light and blessings always,

Linda Bunn
